The American Cancer Society is so grateful for the dedication of IAABO officials to the fight against cancer! Officials vs. Cancer started in 2008 and since its inception has raised over \$2,000,000!

We hope you will join with us to support the fight by making a pledge to donate at least 25% of ONE game fee that you officiate for the week of January 21 – 27, 2019, you will help further our efforts to eliminate cancer as a major health problem. Donations in the amount of \$25.00 or more will receive a free pink Fox 40 whistle!

There are many other ways that officials can get involved in the fight against cancer. IAABO boards from across the country are coming together to increase their contribution, organizing and executing high school basketball tournaments, golf tournaments and other fundraising activities. Your board can sign up on the site as a team and fundraise together! Contact the American Cancer Society's Brian Casalinova at [brian.casalinova@cancer.org](mailto:brian.casalinova@cancer.org) or 207-402-1183 to learn more.

Your participation allows the American Cancer Society to help people facing cancer today and find cures to end the disease tomorrow. Through sponsorship, and the fundraising efforts of our participants, we will finish the fight against cancer.
